Directions

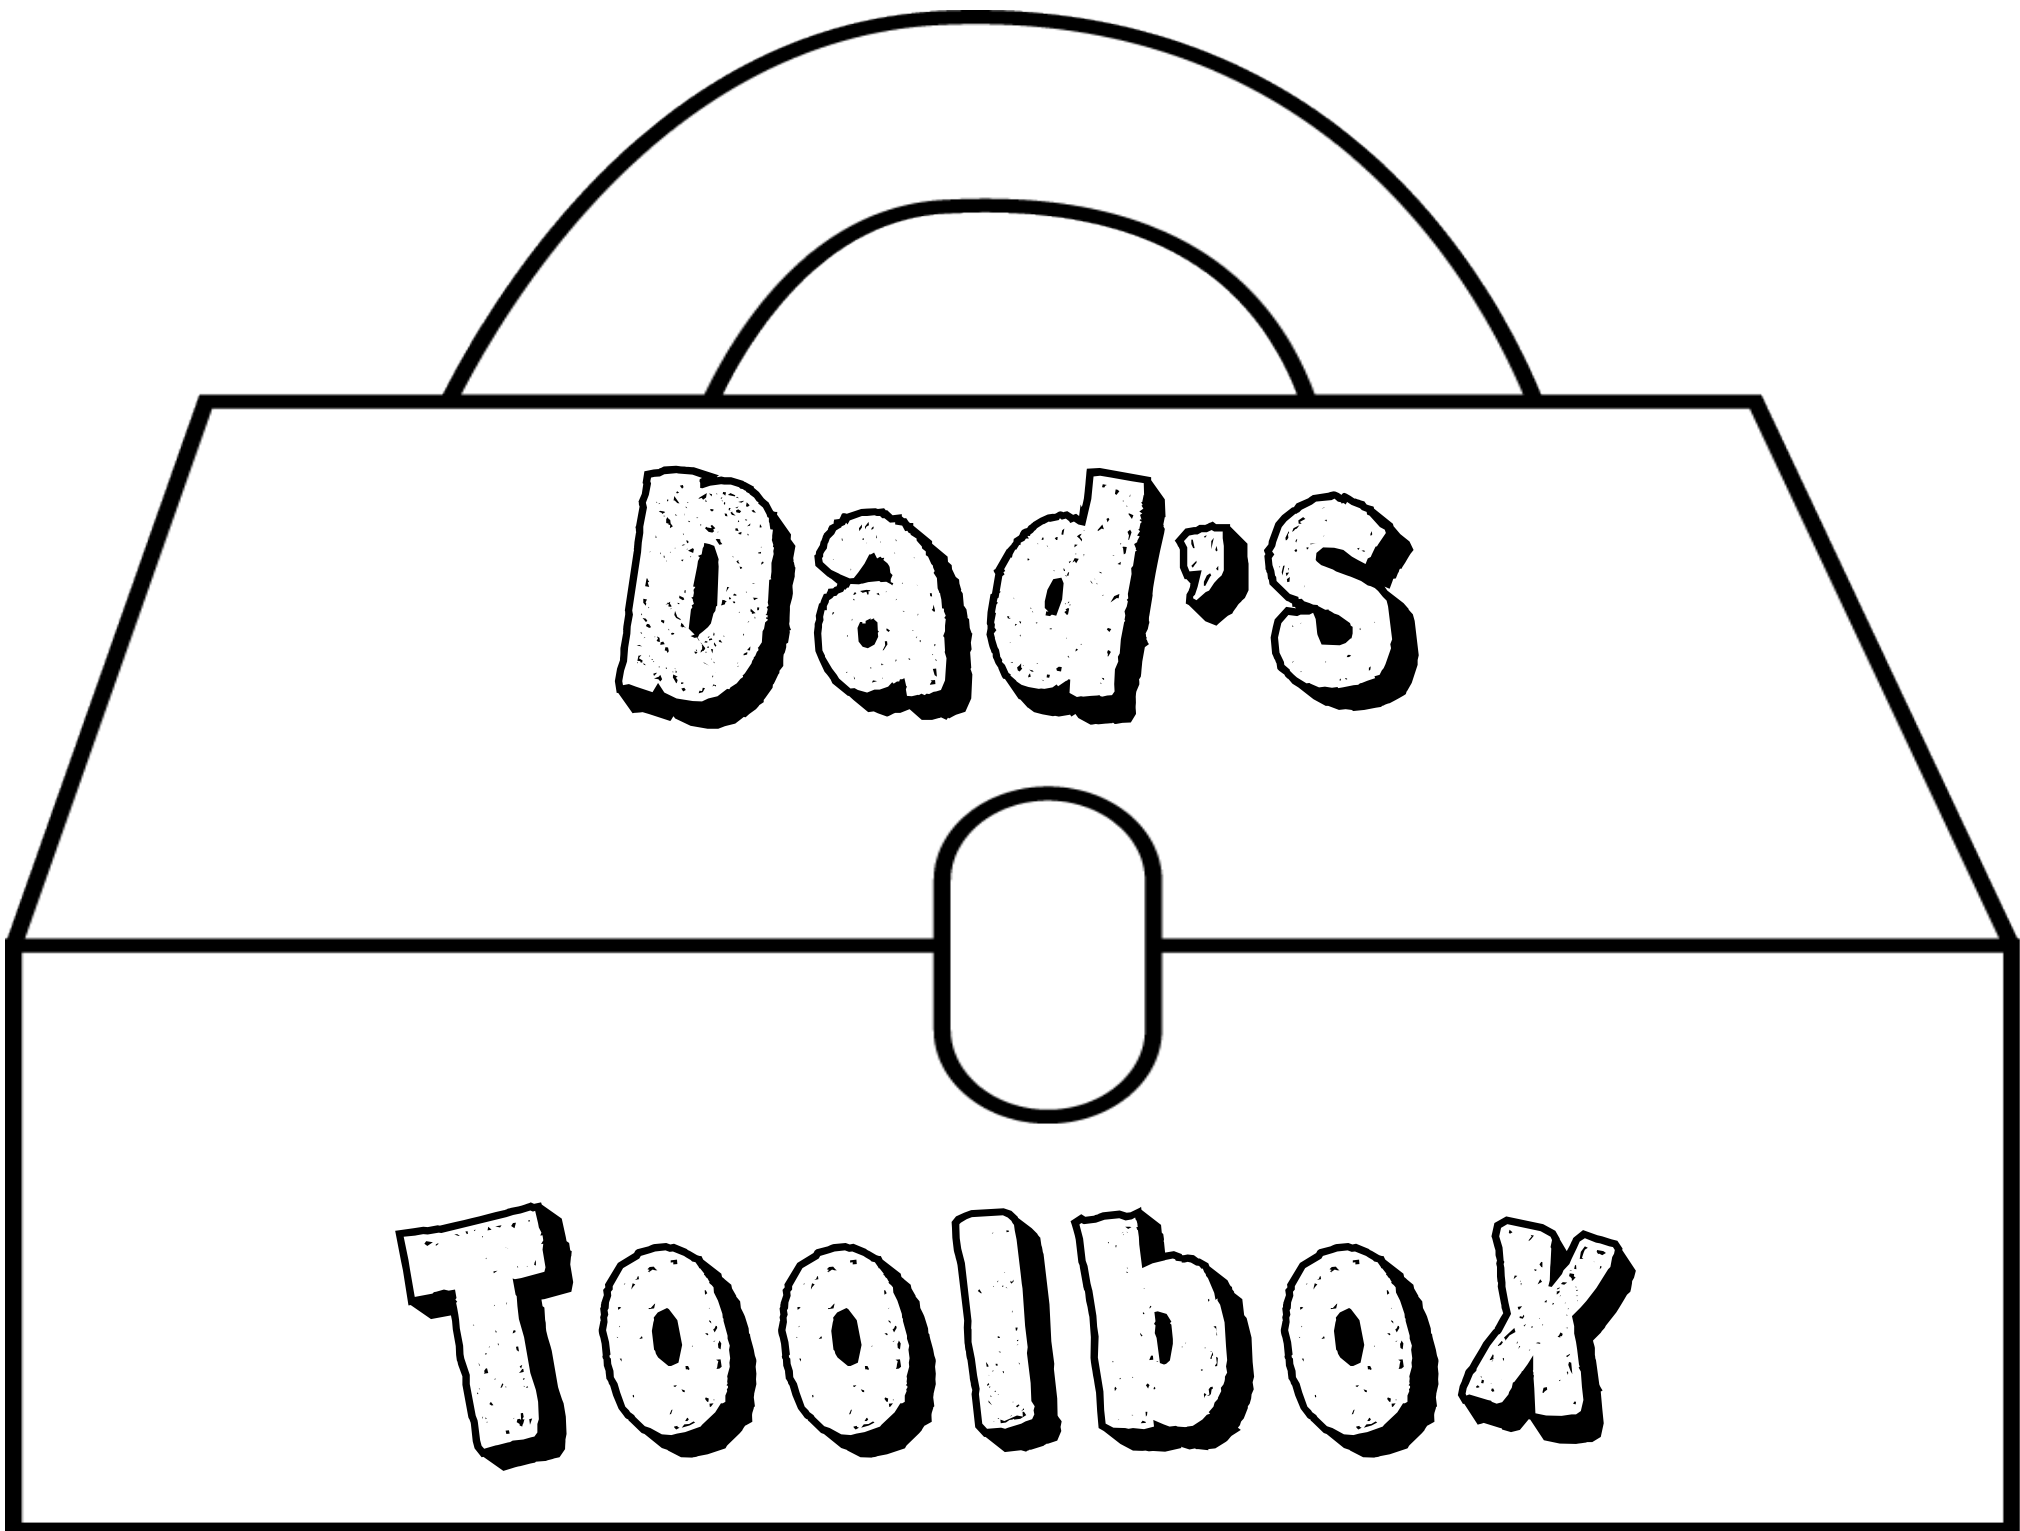

Cut along the red line from one side of the toolbox to the other.

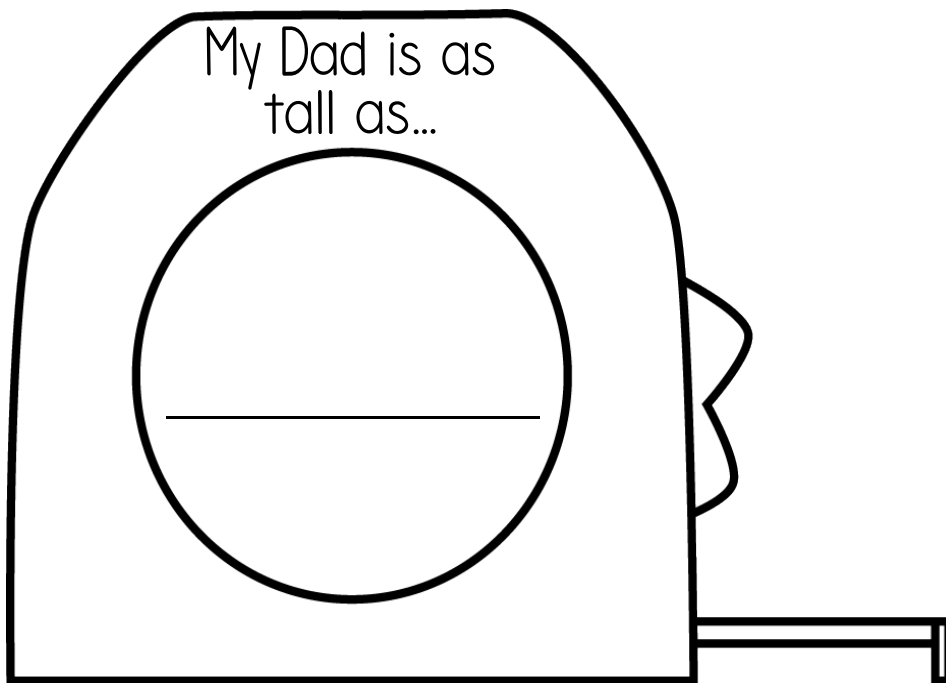

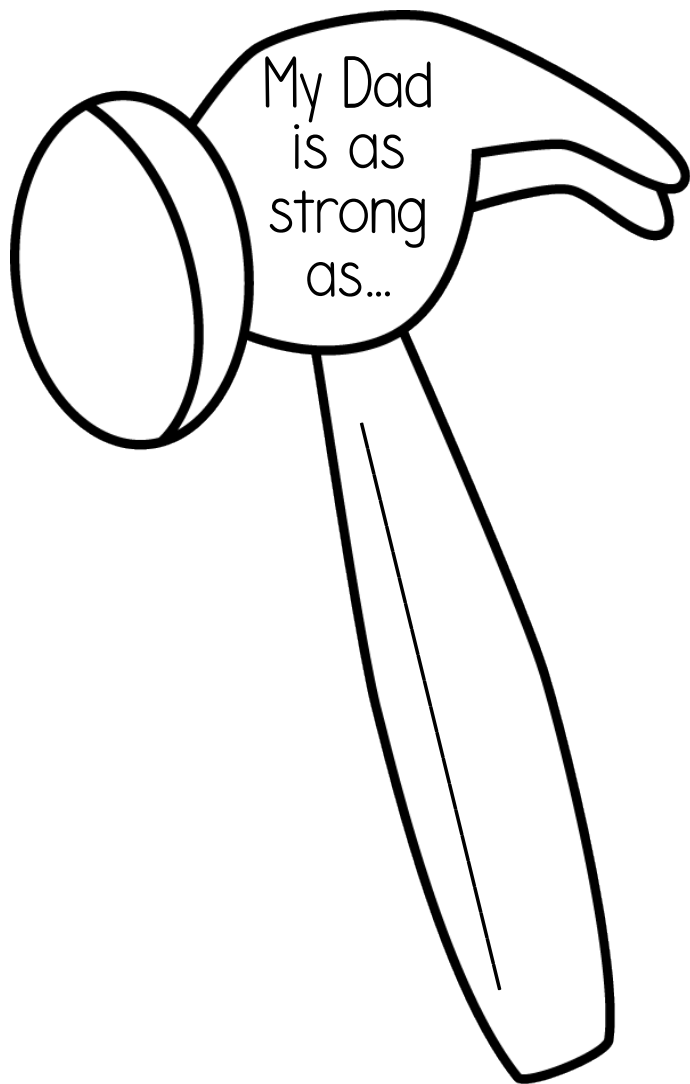

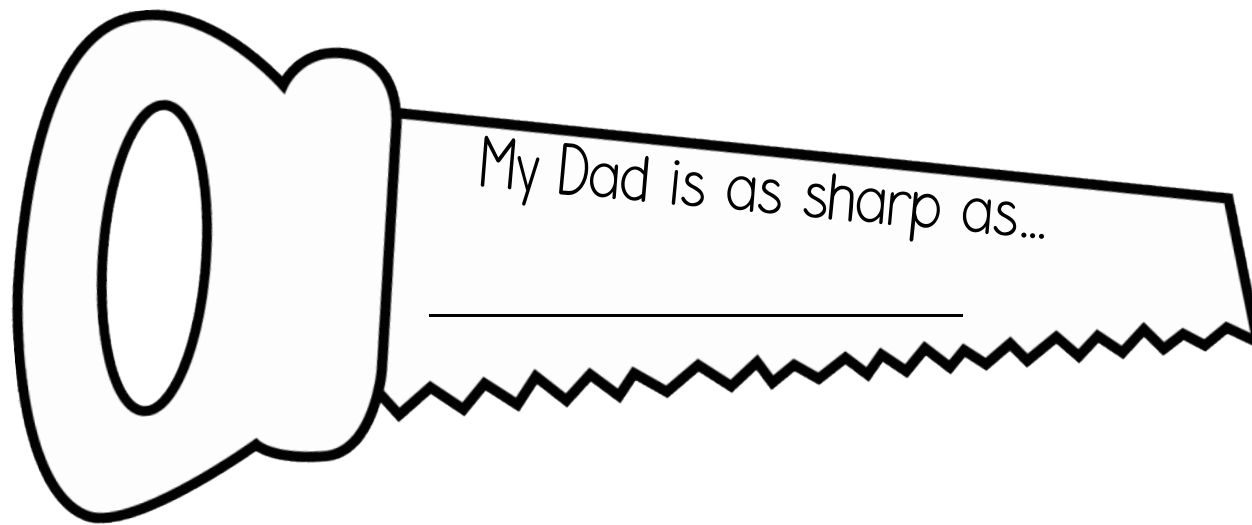

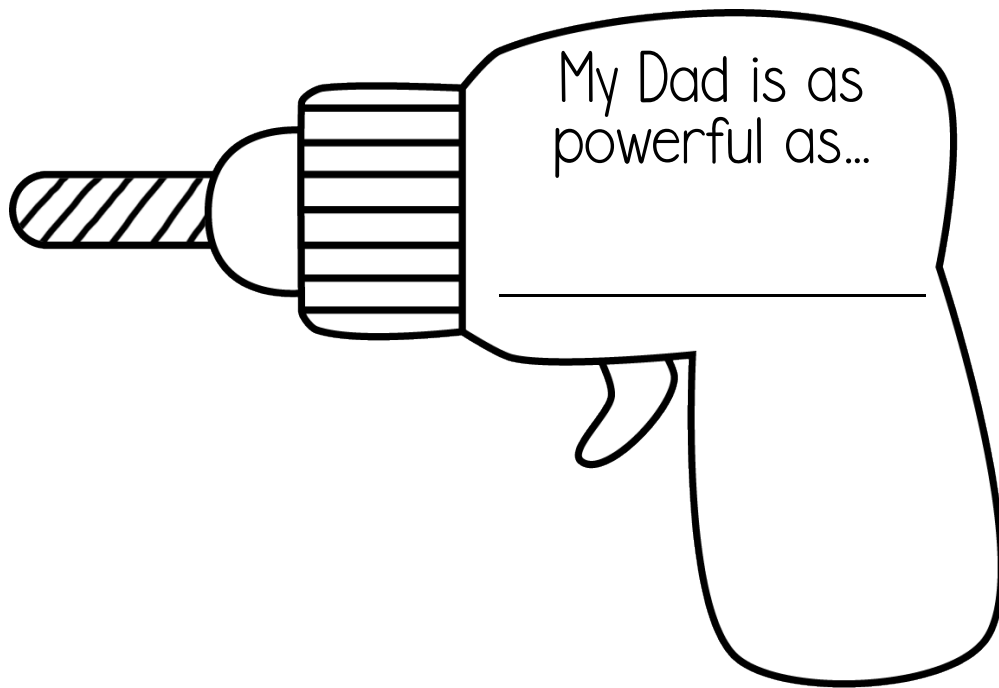

Glue only along the green lines. This allows the bottom of the toolbox to make a pocket and the top becomes a flap to open.

Place the tools inside and you have a finished product!

My Dad

My Dad is as strong as

My Dad is as tall as

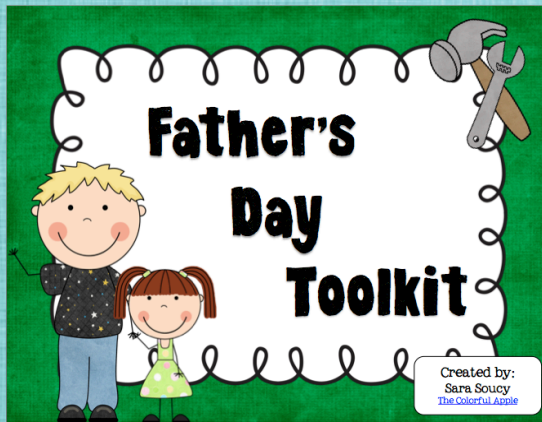

My Dad is as powerful as

My Dad is as sharp as

Looking for More?

Check out the full version!

It includes options for students to create a toolbox for their grandfather, uncle or brother, in addition to father.
