# POKEMON GUESS THE CHARACTER

This Pokemon is always growing, has three forms, and lives quietly underwater.

Evolves from another form when leveled up with high friendship & evolves again with Moon Stone.

This Pokemon has taught himself to speak and walks on two legs to seem more human.

A fighting type that lives in treetop colonies and gets angry quickly and easily.

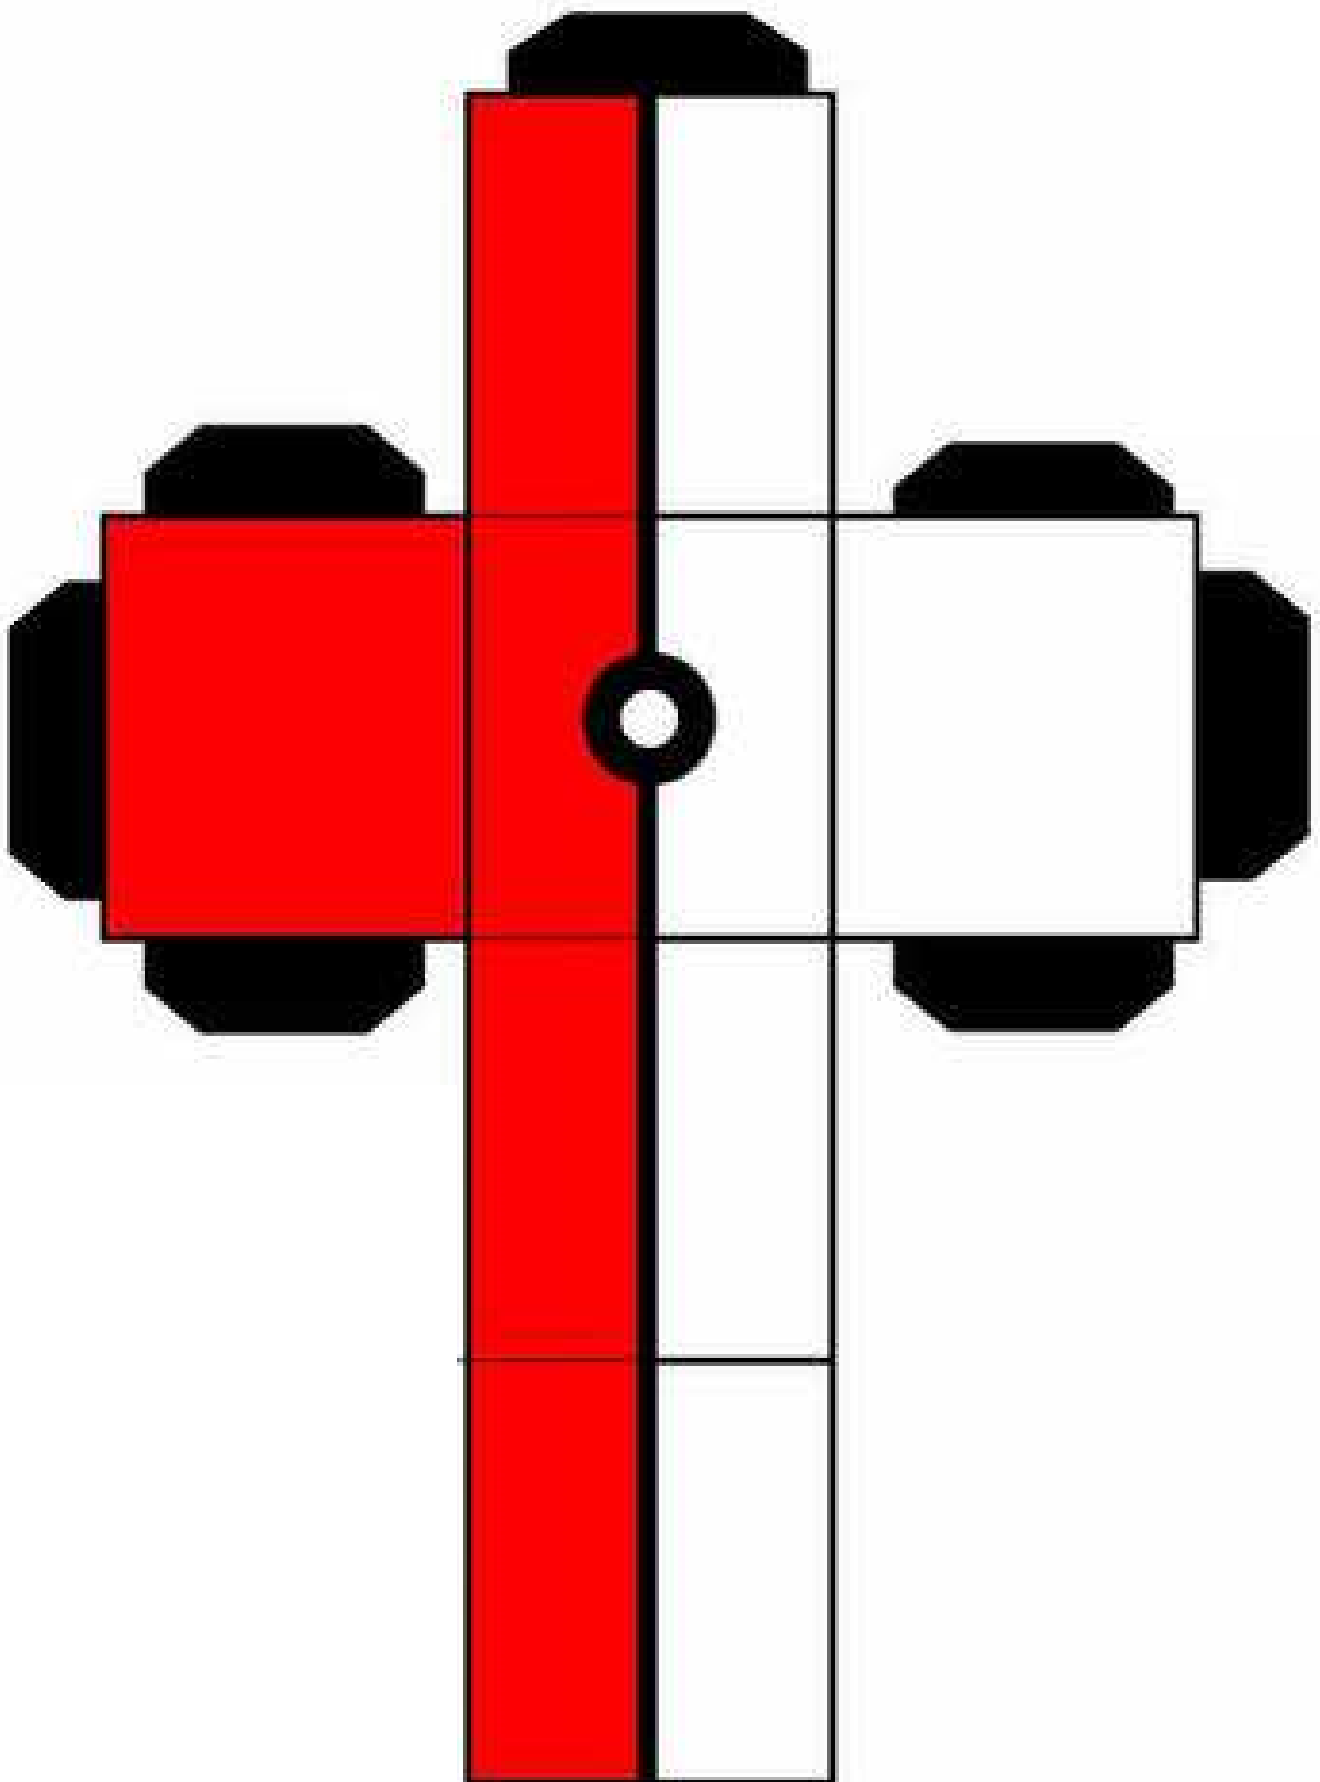

Trainers have to wake him up with a Poke Flute, and it has a Gigantamax form.

This poor Pokemon is always dealing with a headache. When it gets too bad, watch out!
