How to Draw a Leprechaun

- 1 Draw a large “u” shape in the middle of the page. It should start and end in the middle of the page.
- 2 Add legs and a rim to the pot.
- 3 Above the middle of the brim draw a small circle. Add the two sides of a bow tie.
- 4 Make a “wavy” “U” shape coming up from the bow tie. This will be the leprechaun's beard.
- 5 Add “elf” ears to the leprechaun.
- 6 Start the hat by drawing a slightly curved line above the beard and ears turn this into an oval.
- 7 Draw a hat above the brim and add a ribbon across.
- 8 Draw a “U” inside of the beard for the leprechaun's face.
- 9 Add arms to each side by drawing rectangles.
- 10 Make cuffs by drawing small thin rectangles next to the arms.
- 11 Draw hands with 5 fingers on each arm. Make the first and last finger shorter.
- 12 Draw a semi circle for the nose.
- 13 Draw two round eyes.
- 14 Draw small thin ovals above the eyes to make the leprechaun's eyebrows.
- 15 Add a half smile with a line.
- 16 Decorate by drawing a rainbow, ground, and some four leaf clovers. Then COLOR!
